INFINI PREMIUM MESO

Exclusive treatment cocktails dedicated to the needs of skins requiring intensive revitalization and reconstruction. The product formulas are based on a rich complex of active ingredients, guaranteeing holistic effects and multi-level skin rejuvenation. Synergic combination of hyaluronic acid, amino acids, minerals, vitamins, coenzymes and antioxidants provides deep skin supplementation and quick effects of smoothing, tightening and moisturizing the skin. A wide range of products with different concentrations and component combinations allows to adjust the therapy to individual skin needs.

La bellezza è perfetta

INFINI S

A treatment cocktail dedicated to anti-aging and anti-wrinkle protection of the skin. Multi-ingredient formula, enriched with 16mg/5ml of hyaluronic acid to moisturize, improve color and maintain young and luminous skin. Dedicated for skins in good condition and as a therapy supporting the effects of other aesthetic treatments.

Hyaluronic acid: 32mg/10ml
3,2mg/1ml

Amino acids: Alanine, Histidine, Isoleucine, Arginine, Proline, Glycine, Leucine, Lysine, Methionine, Thiamine, Phenylalanine, Serine, Threonine, Valine, Tryptophan, Glutamine, Adenosine

Vitamins: Biotin, Niacinamide, Pyridoxine, Thiamine, Inositol, Cyanocobalamin

TREATMENT RECOMMENDATIONS:

- skin revitalization
- anti-wrinkle and anti-aging prevention
- strong skin hydration
- improvement of skin quality
- elimination of skin imperfections
- improvement of skin color
- strong skin nutrition and moisturization
- elimination of signs of aging

CONTRAINDICATIONS:

- skin diseases at the treatment site
- pregnancy and lactation
- cancer
- unstable diabetes
- epilepsy
- immune-mediated diseases
- hypersensitivity or allergy to any component of the product

INSTRUCTIONS FOR USE:

Apply to cleansed skin until the desired effect is obtained.
Use externally. Perform 4-8 treatments at intervals of 10-14 days. For single use only.

STERILIZATION:

The product is sterilized with hot air.

APPLICATION AREAS:

- Eye - 1,5ml
- Face - 3ml
- Neck - 2ml
- Neckline - >3ml
- Hands - 2ml/hand

NEEDLE

- 30g x 4mm/13mm
- 32G x 4mm/13mm

POST-TREATMENT RECOMMENDATIONS:

Do not apply make-up immediately after use. Protect the treatment area against direct exposure to UV radiation for 7 days. Do not use saunas and swimming pools for 7 days.

PRECAUTIONS:

Read the package leaflet before use. Only for professional use and application on healthy skin. Do not use the product after the expiration date and if the ampoule is damaged or has been stored incorrectly.

STORAGE:

Store in a dry and cool place at a temperature below 25°C. Protect against direct sunlight and other sources of heat. Do not freeze. Keep out of reach of children.
